Johnson Street Bridge Replacement

Navigable Waters Protection Act

(R.S.C 1985, c.N-22) as amended by Part 7 of the Budget Implementation Act, 2009, S.C. 2009, c.2 (Navigable Waters Protection Act)

The City of Victoria hereby gives notice that an application has been made to the Minister of Transport, Infrastructure and Communities pursuant to the Navigable Waters Protection Act for the approval of the work described herein and its sites and plans.

Pursuant to section 9 of the said Act,

The City of Victoria has deposited with the Minister of Transport, and in the Victoria Land Titles District at the Victoria Land Titles Office under deposit number FB459536 a description of the following work, its site and plans:

The demolition and replacement of the Johnson Street Bridge over Victoria Harbour, connecting the neighbourhoods of West Victoria to Downtown. The location of the bridge also delineates the transition between the Inner Harbour and the Upper Harbour, designated areas within the Port of Victoria Master Plan. The bridge is located at the foot of Pandora Avenue and Johnson Street to the east and Johnson Street and Esquimalt Road to the west.

Comments regarding the effect of this work on marine navigation may be directed to: the Manager, Navigable Waters Protection Program, Transport Canada, Suite 820, 800 Burrard Street, Vancouver B.C. V2Z 2J8. However, comments will be considered only if they are in writing and are received not later than 30 days after publication of the last notice. Although all comments confirming to the above will be considered, no individual response will be sent.

Signed at the City of Victoria this 30th day of July, 2012
Dwayne Kalynchuk
